

MLW invites applications from candidates applying for the Commonwealth Scholarship 2024/25 through Wellcome as a Nominating Agency and Chevening Scholarship

Malawi Liverpool Wellcome Program (MLW) invites applications for the pre-screening of candidates for the Wellcome as a Nominating agency for the 2024/25 Commonwealth Scholarship.

The Commonwealth Scholarship Commission (CSC) is one of the largest international scholarship schemes in the world. Since 1960, the CSC has funded over 30,000 individuals to study in the UK, gain skills, acquire knowledge, and build networks to tackle global development challenges. The CSC awards over 800 scholarships and fellowships for postgraduate study and professional development to Commonwealth citizens each year.

The Wellcome, in its capacity as a nominating agency in the UK, invites MLW to propose MLW-supported applicants for the 2024/25 CSC Masters and PhD scholarships. To screen eligible candidates, the MLW Training and Development Committee invites interested candidates to submit their proposed CSC applications for the internal MLW review.

Please note that we only receive applications aligned to the MLW Research Theme. For more information, visit www.mlw.mw.

We are also screening for the 2024/25 Chevening Scholarship and see the details below for the internal screening process.
